8-16x40 Zoom DPS I

- Stands any tough nature conditions thanks to durable high-quality finish
- Clear and distortion-free viewing thanks to reflection-reducing coated lenses
- UV protection to protect eyes against the sun's harmful rays
- Large, centre-focus knob for fast and easy focusing
- Get stunningly close with the zoom function
- Standard Binoculars
- Maximum image brightness
- Built-in dioptric correction adjusts to individual eyesight

Discover the nature around you

The 8-16x40 Zoom DPS I Binocular is a loyal and competent companion for nature observations.
The durable, high quality finish stands any tough nature conditions and the rubber coated grip ensures a safe hold. With the powerful zoom you can get even closer to the subject, and without using the zoom the Zoom DPS I is strong enough for viewing also in low light condition. Anti-reflective lens coating secures high image brightness, contrast and quality.
With this binocular you are optimally prepared to enjoy the expansive nature.
